COURSE CALENDAR FALL 2024

If for any unforeseen reason we are unable to meet, course material will be held during the next class.

Wednesday 08/28

Even though the class is asyncronous, meaning you do not have to watch and do the presentations on the exact day of Wednesday, since all the presentations will be available to watch any time during the week, I am asking everyone does their very best to show up at least 6:00-6:30 p.m. MINIMALLY on the very first Wednesday. unless you have an emergency, the entire 3 hours of first class covers important items. The dates in this syllabus are the correct dates if there is ever a difference in dates video states. Each Wednesday, I will be on live zoom 6:00-6:30 and will stay as long as you like up to 9:00 if needed. Additionally, you can email me for one-on-one help, just give me two of your best availabile times if you want to meet briefly on Zoom or on a phone call. Please alert me if you end up going far ahead of the rest of us just in case I still to to make changes to future assignments, I can let you know corrections before you do future not yet due work. Alert me if you are coming but will be late.

Required/Mandatory first week Communication assignment: Copy and paste this link and then fill out your contact here: https://forms.gle/g1fxKKjC4trSq1219 which is needed to set up your account: Also, post on Canvas Discussion board, or email instructor your response to this: which of the assignment below seems it will be the most interesting or seems it will be the most complicated; or be an overachiever and give your opinion on both. Also this first zoom class, we will Assign Projects. Do: Introduction, Orientation, Web Design Creative Process Review, Dreamweaver Review & FTP & HTML/CSS Review.
